WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Epsom in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epsom on Tuesday, the eleventh day of March, next at one of the clock in the afternoon to act upon the following subjects:

Business Meeting — 7:30 P. M.

1. To choose all necessary Town Officers for the year ensuing.
2. To see what action the Town will take upon the budget submitted by the Budget Committee.
3. To see if the Town will raise and appropriate the sum of \$925.61 for the maintenance, construction, or reconstruction of Class V Highways, the State to contribute \$6,170.75 as provided in Chapter 83 Laws of 1953.
4. To see if the Town will vote to authorize the Selectmen to borrow such sums as may be necessary in anticipation of taxes.
5. Pursuant to the Provisions of the laws as revised, Chapter 292, Section 7, 1949. The following Article is submitted: Shall the Provisions of Chapter 171-A of the revised Laws relative to playing games of Beano be adopted in this town?

6. To see if the Town will vote to raise and appropriate the sum of \$486.00 for the Concord Hospital to help offset the estimated operating deficit for the year 1968.

7. To see if the Town will vote to raise the sum of \$200.00 for the Barnstead Ambulance Fund.

(Recommended in the Budget)

8. To see if the Town will vote to raise the sum of \$200.00 to be used in the White Pine Blister Rust Control Program.

(Recommended in the Budget)

9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be put in a capital Reserve Fund in anticipation of improvements to the Epsom Public Library.

(Recommended in the Budget)

10. To see if the Town will vote the approval of the \$500.00, now in Capital Reserve Fund, for Library use.

11. To see if the Town will vote to raise the sum of \$5,000.00, to be used for completion of the North Road project. A portion of this amount to be raised by serial notes.

(Recommended in the Budget)

12. To see if the Town will vote to raise the sum of \$200.00 for the purpose of erecting signs at each Town Road.

(Recommended in the Budget)

13. To see if the Town will vote acceptance of the proposed addition to the East end of the Fire Station. Needed for Forestry Truck and added equipment. Such

addition to be of same structural material as present building. (Cement walls with wood top). Money, for said addition, included in Fire Dept. appropriation of proposed budget.

14. To see if the Town will vote to make the office of Chief of Police an appointive rather than an elective one. The Chief of Police to be appointed by the Selectmen as a permanent Chief, with the understanding that he can be removed from office by the Selectmen for misconduct or neglect of duty, after a public hearing.

15. To see if the Town will vote to change the interest on delinquent Poll Taxes, from 6% to 20¢ per annum.

16. To transact any other business that may legally be brought before this meeting.

Given under our hands and seal, this 24th day of February, in the year of our Lord nineteen hundred and sixty-nine.

LIBRARIAN'S REPORT

This year the library has had many obstacles to overcome, in the line of trying to adhere to the State recommendations set for all state affiliated libraries. We realize at this time, that it is impossible for us to do much with present situation and location, but the time has come when something has to be done about the furnace at the library. It has been a constant source of many uneasy moments as it would come on and fill the room with smoke and the oily smell is at a point, where it is unhealthy.

Many books have been borrowed through the State Library throughout the year for use by the high school and college children this year. And many of the grammar school children have come to the library for help on special papers and projects they have been compiling.

The shut-in service has been in full swing during the year with Mrs. Ellen Eppelsheimer taking books to many shut-ins once a month. A selection is picked out by the librarian and the shut-in has a chance to pick out the various types of reading matter they desire. At the same time they have sent in many requests that we have tried to fulfill to the best of our ability.

The library is now open only one afternoon a week, Saturdays from 2 to 5 P.M. During the summer months the library was open every Wednesday night but usage was very poor. Excepting for the summer months and a few weeks after Christmas, when everyone has received reading matter, the weekly circulation has been around 100 book or better. This does not include the books that are at the library for reference work or some of the special books from the State Library.

Many books have been given to the library by interested persons throughout the year and thanks is ex-

tended to all who have so generously taken an interest. Many of the magazine subscriptions are also gifts from friends.

A new set of Americana encyclopedias has been ordered with the trust funds received the past year and will be so marked with name plates.

Due to the increased reference work done by children and adults at the library, the librarian has been assisted by Barbara Findlay and Anita Fife during the year. An anonymous friend has been very helpful in assisting, filing, and doing odd jobs about the library. The librarian and trustees would like to thank all that have made the library run as smoothly as it has this year.

There have been various bulletin board exhibits and exhibits by school children throughout the year.

The librarian and trustees and friends have attended many book selection meetings during the year. There was representation at the District Friends of Library annual meeting, also at the State Friends of Library at the Wayfarer. The Librarian started a course on Children's Reading in Public Library at Durham in the spring, but due to employment was unable to finish the course. A selection of large print books has been donated by the State Library. Epsom was selected as one of the towns to receive this collection.

The Epsom Historical Association met at the library earlier this year for the regular meeting and enjoyed viewing some of the records kept at the library and renewing their acquaintance with the library facilities.

During the past year, the library trustees had voted to discontinue fines on overdue books. Due to the abuse of this privilege, the fines policy has once again had to be renewed. The response has been tremendous and thanks to all that were conscious of the situation it put the library in when books were so long overdue.

During the past year, the library has received many requests from out of towners or even persons out of

state, for research work on various lines of interest, either history of town or some line of genealogy. Acknowledgement has been given to each request and trustees and librarian feel satisfaction must have been accepted as many have been kind enough to send notes of thanks.

Films, 16mm sound and color ,are available to organizations through the State Library. This service has been used by some and if any organization is interested in using a film, they may feel free to contact the librarian for arrangements.

This is your library and library staff is available to serve the public in any way that it can. Do not hesitate to call on assistance at any time and do avail yourself to the many new books that have been placed on the shelves during the year. From the trustees and the librarian, thank you all for making this another rewarding year.

Respectfully submitted, .

REPORT OF PARK COMMISSIONER

The Park Commissioners wish to thank all the adults and young people who donated their time to help keep Webster Park clean, mowed and worked the tree trimming project.

We also were able to get the baseball back stop re-wired and rebuilt.

A new project this winter was the establishment of a Town sponsored skating rink near Merrimack Farmers Exchange. Lights have been installed with a time clock to allow night skating parties at which various Town organizations have furnished and served refreshments. Thanks is also extended to the people who have donated their time cleaning and working at the area.

REPORT OF THE EPSOM POLICE DEPARTMENT

January 1, 1968 thru December 31, 1968

Your police department has had a busy year, receiving a total of 77 more calls than last year. Twenty-four hour telephone service and the prompt dispatch of officers is provided year round.

Our communication system has been improved with the purchase of two police band radios. Our department is now in twenty-four hour contact with the Loudon Police Department and the Hooksett Police Department and is working in affiliation with them. Their assistance is available to us, as ours is to them. Should an occasion arise to make it necessary to join forces it is now possible to obtain assistance from these departments in a matter of minutes. We feel that this system is of great benefit to all the towns concerned and are looking forward to other of our neighboring towns joining us in the near future.

Since our last yearly report two of our officers have left the department. Patrolman Robert M. Reeves is now serving his country in Viet Nam, and Deputy Chief Robert Demers is now serving our town in the capacity of selectman. To help fill these vacancies it was necessary to appoint another regular officer to the force. Eugene Parker received this appointment.

To report all curious or suspicious people, motor vehicle, or suspicious happenings, residents of Epsom are urged to call the numbers listed below.

REPORT OF EPSOM FIRE DEPARTMENT

1968 was slightly busier than 1967; with 68 Truck runs and 56 calls. Including 5 bad fires with over \$500. damage. With an estimated \$25,000.00 to \$30,000.00 loss. Much new equipment has been added. And many improvements made on old equipment. Much of this done with free labor donations, Fire Dept. money! By ways and means other than Town appropriation.

Be certain you have the RED PHONE number by your phone and know how to use it.

THE RED PHONE NUMBER WILL BE CHANGED; as of the last of MARCH.

The new number will be in the new directory on APRIL 1st. Every phone user in EPSOM will get a (phone sticker) with the new number on it before the 1st of APRIL. Anyone not getting one can get one from the FIRE DEPT.

This number (RED PHONE) can and should be used for any EMERGENCY.

The BARNSTEAD AMBULANCE IS ON CALL 24 hours a day. We have RADIO contact with them 24 hours a day with very few exceptions. The RED PHONE operators have the AMBULANCE number. SO IN ANY EMERGENCY DIAL the RED PHONE. If no emergency (no hurry) DIAL — 4732 and the AMBULANCE will be called.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Roscoe Warren, Warden Gerald H. Hight, Dist. Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted match is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cook-out, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result — escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To **never** discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for **all** debris burning except when the ground is covered with snow. Cooking fires in

outdoor fireplaces or in charcaol brasiers in your own back yard is permitted on notification of the warden.

- b. The warden is forbidden by regulation to allow burning of household rubbish on **grass** by householders between 9:00 A. M. and 5:00 P. M.
- c. Have equipment on hand to control the fire **before** you light the match.

4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

REPORT OF THE HEALTH OFFICER

For the Year Ending December 31, 1968

The year just ended has been one of our busy ones, trying to correct existing problems in our area.

Pollution from septic tanks and sewage disposal is a serious health nuisance, and wherever this trouble exists it should be recognized and corrected. Many new installations have been made and inspected.

Some people consider that the duties of the Health Officer carry over into the realm of the Selectmen, but on such problems we work together. The duties of the Health Officer do carry over into water pollution work and changes may be expected at any time, from results of their inspections. This includes pollution within 1000 feet of any river or stream.

Your continued cooperation is requested, and I shall be ready to help at any time.

APPROPRIATIONS FOR CONCORD HOSPITAL

Chairman
Board of Selectmen
Epsom, New Hampshire

Dear Sir:

The Trustees of Concord Hospital respectfully request that the Town of Epsom include in its 1969 budget an appropriation of \$486.00 for Concord Hospital.

As in the past, this year's appropriation request is based upon the cost of net unpaid services (Charity care) given to patients during the year just ended. 2.2% of the patients treated at Concord Hospital last year were residents of Epsom. Using this percentage figure, your town's share of the hospital's \$22,107 net unpaid charity services is \$486.00.

A Trustee of the Hospital would appreciate the opportunity to appear before your Budget Committee to discuss and explain this appropriation request. If you will let us know a convenient date and time, the Hospital representative will plan to attend.

Health services at Concord Hospital are made available to all residents of Epsom. The continued financial support of your community is needed to help meet the cost of care provided those who are unable to pay.

Sincerely yours,

J. RICHARD JACKMAN,
President
Concord Hospital

SUPERINTENDENT'S REPORT

As time passes, there seems to be little diminution in the size, number, or complexity of problems facing public education on any level of government — national, state, or local. Included among these are financing, housing, teacher recruitment, and, most important, maintaining a reasonable level of educational opportunity for our young people.

In New Hampshire, the problem of financing is most acute, as so great a portion of the burden falls upon the local community, in contrast with the situation in other states. At this writing, there seems little likelihood that this burden will be reduced by the creation of other sources of school monies, unless pressure is exerted on local representatives of the general court that the state must accept greater responsibility in supporting education. To date, the voters and taxpayers have risen to the task of providing a good school system for the community, and is being requested to continue to do so. However, it is time that the legislators face up to their responsibilities and implement the existing statutes by one hundred (100) percent funding and stop deceiving their constituents.

An innovation this year in the Epsom School System, through the excellent leadership of Principal Fortier and the cooperation of his teaching staff, supported by the School Board, is the ungraded system in the primary grades. This provides the opportunity for children to progress at their own individual rate and is proving very effective.

In closing, we would like to express our appreciation for the cooperation received from the citizens, school

board, children and professional staff of the Epsom School District.

Respectfully submitted,

RAMON MARTINEAU
Superintendent
CHARLES MORGAN
Business Administrator

PRINCIPAL'S REPORT

Enrollment at the beginning of the school year in 1968 was 251, compared with 252 in 1967 and 251 in 1966. By the end of December, 1968, enrollment had risen to 263.

The 1968-69 school year marked the beginning of the ungraded primary organization in the school. Grades four and up retain the traditional graded structure, and present plans call for including one additional grade each year in the new organizational concept, so that the school will eventually be ungraded throughout. As of the end of 1968, no significant problems had developed as a result of the new structure.

The faculty for the 1968-69 school year is as follows: Ungraded primary section: Mrs. Fife, Mrs. Crosbie, Mrs. Fifield, and Mrs. Bassett. Fourth grade: Mrs. Walker. Fifth Grade: Mrs. Stimmell. Sixth Grade: Mr. Perkins. Seventh and eighth grades: Mrs. Omand, Mrs. Pinckney, and Mr. Fortier. Mrs. Arlene Yeaton is a Teacher Aide with the ungraded primary section.

The special activities programs initiated last year: typing, dramatics, art, foreign language, and remedial reading, were continued in the 1968-69 school year. In addition, for the first time in several years, a formal music program was begun under the direction of Mr. James Martell. The program includes vocal and instrumental instruction. Co-curricular activities this year include the Newspaper Club, Boys' and Girls' basketball, boys' baseball, and girls' softball.

The school library is in operation again this year, supported and manned by PTO volunteers. Epsom is indeed fortunate to have the services of such dedicated people to make this library facility available to the school children.

I wish to take this opportunity, again, to thank the people of Epsom, and the Epsom School Board, for their continuing cooperation and support.

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

As part of the School health services for the year 1967-68, all elementary pupils in Barrington, Epsom, Northwood, Nottingham and Strafford received routine health inspections by the school nurse.

This type of inspection includes weighing, measuring, checking teeth and tonsils, checking hair and scalp for the presence of head lice or any infectious condition and doing screening tests to determine if a child has any vision or hearing handicap.

When defects were found, the parents were informed. This is ordinarily done by means of a note, letter or telephone call although, in many cases a home call is made by the nurse. Parents have been very cooperative in having such defects corrected, as is shown in the following summary:

Tests & Inspections		Defects Noted		No. of pupils seen or treated by Physician and/or Dentist	
Vision tests	1019	Vision	136	Vision	119
Hearing tests	1093	Hearing	18	Hearing	8
Heights & weights	1006	Teeth	330	Teeth	458
Teeth & Tonsils	1006	Tonsils	6	Tonsils	12
		Weight	3	Weight	1
		Speech	11	Speech	6

A series of three immunization clinics was held in the fall of 1967 in both Barrington and Strafford. Sylvia Kennedy, M.D. of Exeter was the physician in attendance. The clinics were jointly sponsored by the New Hampshire Bureau of Public Health and local organizations — the Barrington Woman's Club and the Strafford Parent-Teachers Association.

For the first time, all five towns participated in either the Matching Funds Dental Program (which provides for filling and/or extracting teeth) or the Prophylactic Dental Program for having teeth cleaned and topical fluoride solution applied. Both programs are co-sponsored

by the New Hampshire Bureau of Dental Public Health and by one or more local organizations. Epsom and Northwood again had both programs, and it is to be hoped that these will soon become an established part of the health program in each town.

The health education film "The Story of Menstruation" was shown to the majority of the girls in grades 5 through 8 in each school. This was well received and will be repeated annually for the 5th and 6th grade girls.

Referrals made by the nurse included one to New Hampshire Department of Public Welfare for custodial care of a child, three to New Hampshire Crippled Children's Service, four to Mental Health Centers for psychological evaluation and one to Camp Lincoln. Vision examinations and glasses were provided for two children — one paid for by the Concord Chapter of the Lions Club and the other by the Nottingham Chapter of the American Red Cross.

A total of 103 home calls was made, and 198 first-aid cases were cared for by the nurse. Transportation was provided to Pittsfield, Rochester, Dover, Concord and Manchester in order for certain children to receive medical care.

I wish to take this opportunity to thank Mr. Martineau, Mr. Morgan, members of the School Board, the townspeople who sponsored and assisted in carrying out health programs, and the school children for their help and cooperation.

Respectfully submitted,

DOROTHY Y. WELLS, R.N.
